

Before the Next Teardrop Falls

Jeannie C. Riley

If he brings you happiness
Then i wish you all the best
It's your happiness that matters most of all
But if he ever breaks your heart
If the teardrops ever start
I'll be there before the next teardrop falls

Though it hurts to let you go
I want you to know
I'll stand by you
If ever you should call
And if I should ever hear
That she makes you shed a tear
I'll be there before the next teardrop falls

I'll be there anytime
You need me by your side
To drive away every teardrop that you cried

And if he ever leaves you blue
Just remember, I love you
And I'll be there before the next teardrop falls
And I'll be there before the next teardrop falls
