When you see a little baby sittin' on his mama's lap Well, it's just the beginnin' of a thing called the generation gap

It's not the difference of age now everybody's talking 'bout It's all those no no's that make up the generation gap

Well, the grown ups go out now to parties and get stoned But that's somethin' they won't talk about around the children at home

But they ain't foolin' anybody now 'cause the kids are gonna find it out

Just another reason for the thing called the generation gap

The generation gap is a mighty mighty big hole You ain't gonna fill it up with all the lies being told Wah, wah, wah, you'd better clean your house If you expect to narrow the generation gap

```
Wah, wah, wah, wah, wah
Wah, wah, wah, wah

Daddy says that drinkin' is a sin that we'll have to pay for Well, then what's that liquor bottle doin' in the dash of his c ar?

And who's the man that calls mama every time that daddy's out? Now, do you still wonder, why we still have the generation gap?

The generation gap is a mighty mighty big hole Now, do you still wonder why we got the generation gap?
