Good Enough To Be Your Wife

Jeannie C. Riley

You ask me if we can live together
Marriage doesn't fit your way of life
And you say that you'll be with me forever
Well if that's true, please make me your wife

'Cause if I'm good enough to be your woman, good enough to shar e your life

Good enough to live together, I'm good enough to be your wife Good enough to have your children, good enough to give 'em life Good enough to do your cooking, I'm good enough to be your wife

I don't care what people say about us Loving one another isn't wrong And I don't care as long as we're together Right here next to you is where I belong

But, if I'm good enough to be your woman, good enough to share your life

Good enough to live together, I'm good enough to be your wife Good enough to have your children, good enough to give 'em life Good enough to do your cooking, I'm good enough to be your wife

Darling I'm so glad you want me with you But sharin' someone's life just ain't the game So with you really want to live together Then first of all I've got to have your name

'Cause if I'm good enough to be your woman, good enough to shar e your life

Good enough to live together, I'm good enough to be your wife Good enough to have your children, good enough to give 'em life Good enough to do your cooking, I'm good enough to be your wife
