

# Tennes See Me

Jeannie C. Riley

When I am gone  
Sing for me no sad songs  
Plant no flowers at my head  
Be the green grass that covers me  
All dew-dropped wet  
And I hope you'll remember even if I forget

## CHORUS

And sing me no sad songs and shed me no tears  
My eyes will be blinded my ears will not hear  
So sing me no sad songs and shed me no tears

[ dobro ]

The stone at my head will say that I've gone  
That all my seeds have been sown  
But I'll leave with you my memory in silence to live on  
And I hope you'll remember even if I forget

[REPEAT CHORUS]

AD LIB:

Shed me no tears shed me no tears
