

## Yearbooks And Yesterdays

Jeannie C. Riley

The weather was bad it was windy and rainin' outside  
So I decided to stay in clean my room and give a lift to my pride  
I was cleanin' out the corner of my closet and overturned a box lid  
And there were my yearbooks and pictures and my yesterday friends  
On the very first page Jeannie Adams set smilin' at me  
She was the queen of the senior class but she failed in history  
Hi Jeannie 'member when we played hockey with those out of town boys  
And how scared we got they didn't wanna bring us back and called us killjoys  
On the next page there was Johnny Roosevelt most handsome boy at school  
Hi Johnny guess you never knew what a crush I had on you  
But it only lasted untill Michael Grady moved to Central High  
He was a big bashful football bawl and I loved him at first sight  
Well there you are Mike I was wonderin' when you'd be showin' up  
Gosh you've got a bruise on your eye  
Oh I remember those Pacus boys were mighty rough  
And remember how us girls all cried when we lost the game that night  
It was so cold why you couldn't even squeeze me you were bandaged up so tight  
Hello Paddy June and Billy Roy heard you've married and settled down  
Betty Rogers still writes now and then since I moved out of town  
You remember my daddy got a transfer when school came to an end  
And for awhile I lost tracks of my yearbooks and yesterdays friends  
But today as I visit back with you hi Joni and Clyde  
I know I never really could forget you even if I tried  
For in my heart all our years together never came to an end  
And you know there's really no such thing as a yesterday friend  
There's really no such a thing as a yesterday friend
