

# He Always Got What He Wanted

Jeannie Seely

[Verse 1]

He wanted romance  
So romance I gave him  
Champagne and roses  
And nights on the town

[Verse 2]

He wanted laughter  
So I entertained him  
In more ways than one way  
I was his clown

[Chorus]

He always got what he wanted  
He got what he wanted for free  
He always got what he wanted  
Lord, I wish that he wanted me

[Verse 3]

He wanted freedom

So I didn't hold him  
I sat and waited  
'Til he came around

[Verse 4]

And when he got lonely  
I was there to hold him  
I'd pick him up  
Then he'd let me down

[Chorus]

He always got what he wanted  
He got what he wanted for free  
He always got what he wanted  
Lord, I wish that he wanted me  
I wish that he wanted me
