

I Lie a Lot

Jeannie Seely

I say I don't miss you
When they ask me if I do
I lie a lot (I lie a lot) how about you
I'm not whole because I'm blue
There's just nothing I want to do
I lie a lot (I lie a lot) how about you

Do you have to lie when
They ask you about me
Or is it true when you tell them
You're glad you're free
I wish it was that easy but it's not
(You know it's not)
I don't miss you I lie a lot

How I wish it was that easy but it's not
(You know it's not)
I don't miss you, I lie a lot
