

Leave Me Alone

Jeannie Seely

We can't be too much different you and me
Because we both want something we can't own
Let's don't start something we both know can't be
Oh I beg you please leave me alone

I hear a thousand strings when you come home
Your look tells me you hear the same sweet song
It's hard to turn from something you want most
But I beg you please leave me alone

I'll stay out of your way if you'll stay out of mine
I'm sure this feeling we shared is gone
I know we'll both be better off in time
So I beg you please leave me alone
