

You Don't Have Time For Me

Jeannie Seely

You have time for the gay affair time for people you know don't
care

But you don't you don't have time for me

You have time for the things at hand and time for things you know
won't stand

But you don't no you don't have time for me

You're turning away from everything we knew

Then have you stopped to think about what you're turning to and
into

You have time for the likes of town time for those who will let
you down

But you don't oh you don't have time for me
