

# Harpoon

Jebediah

[Verse 1:]

This will take some explaining but I think you will agree  
There is no use pretending that there's hope for you and me

[Chorus:]

And I love her, but do you think she can see  
When I tell her, it's the end for you and me  
It was over, ever since you went and shot me

Like a harpoon  
Like a harpoon  
Like a harpoon in my heart....

Like a harpoon  
Like a harpoon in my heart

[Verse 2:]

Yeah

I can handle the fighting, it's the affection I can't stand  
And I don't mind us talking, just don't try and touch my hand

[Chorus]

[Verse 3:]

When you left I didn't want you back  
But now your gone so won't you come right back  
Come right back [x 5]

[Chorus]

Why does it hurt  
Simple matters don't seem worth  
We're the same but it's not happening again

[Chorus]
