

## Put the green cape on

Jedward

We're off to Poland, let's get up let's go.  
The boys in Green will put on their best show.  
Robbie Keane will score,  
Maybe three or four,  
Then we'll lift the cup , well yes we think so!

Ohhhh  
Support the boys in green  
Ohhhh  
Shout for Given, Duff and Keane,  
Ohhhh  
We'll face Italy and Spain head first  
Ireland let me tell you how it works

HEY!

(CHORUS)  
Put the Green Cape on,  
Hey Poland here we come,  
Put the green cape on,  
Hey Poland here we come

Let's show our colours, colours green.,

Ireland, Ireland...  
We'll fly the flag so the world can see,  
That Ireland's back and you must agree,  
Forget the bank bail out,  
Let's hear the Irish shout,  
We're even ready to forgive Thierry Henry!
