

Running With The Angels

Jedward

Tonight I'm running with the angels
No more looking back, I'm gonna breakaway
Tonight I'm running with the angels
I found the courage within I'm gonna carry on

Yeah, I'm here letting go
And they can't control me anymore
I know I'll find a way to make it out alive
There's no more holding back, I got the will to survive

Yeah, nobody can steal the fire in my soul
I'll make it through the darkest days I know
Oh, nobody can steal the fire in my soul
Here's to the memories to come I gotta carry on

Tonight I'm running with the angels
No more looking back, I'm gonna breakaway
Tonight I'm running with the angels
I found the courage within I'm gonna carry on

Yeah, I, I carry on
I'm gonna carry on, I'm gonna carry on
Yeah, I, I carry on
I'm gonna carry on, I'm gonna carry on

Tonight I'm running with the angels
No more looking back, I'm gonna breakaway
Tonight I'm running with the angels
I found the courage within I'm gonna carry on

Yeah, I, I carry on
I'm gonna carry on, I'm gonna carry on
Yeah, I, I carry on
I'm gonna carry on, I'm gonna carry on

Yeah, I'll realise all my thoughts
Not gonna hold them back, I only get one shot
I'm gonna see the world with an open mind
Oh, I'll do all I can to keep holding on

Yeah, nobody can steal the fire in my soul
I'll make it through the darkest days I know
Oh, nobody can steal the fire in my soul
Here's to the memories to come I gotta carry on

Tonight I'm running with the angels
No more looking back, I'm gonna breakaway
Tonight I'm running with the angels
I found the courage within I'm gonna carry on

Yeah, I, I carry on
I'm gonna carry on, I'm gonna carry on
Yeah, I, I carry on
I'm gonna carry on, I'm gonna carry on
