

# Spice Things Up

Jedward

(Spice spice)  
I'll make you come alive  
(Spice spice)  
I know what you like  
(Spice spice)  
You're looking, oh, so fine  
(Spice spice)  
I'm gonna make you mine

Tonight let's spice things up in this club  
It's gonna feel so good, give you what you deserve  
Cause baby, you're so sweet like candy floss  
But tonight I want you to be the boss

We're gonna spi-i-ice things up  
We're gonna spi-i-ice things up  
We're gonna spi-i-ice things up  
We're gonna spi-i-ice things up

Tonight let's spice things up in this club  
It's gonna feel so good, give you what you deserve  
Cause baby, you're so sweet like candy floss  
But tonight I want you to be the boss

We're gonna spi-i-ice things up  
We're gonna spi-i-ice things up  
We're gonna spi-i-ice things up  
We're gonna spi-i-ice things up

I'll be a slave for you  
If I have to  
Cause you're a wild rose  
I see it in your soul  
So let's do something new  
We got nothing lose  
I hope you know your worth  
You got that diamond glow

(Spice spice)  
I'll make you come alive  
(Spice spice)  
I know what you like  
(Spice spice)  
You're looking, oh, so fine  
(Spice spice)  
I'm gonna make you mine
