

# Rub It In

Jeff Bates

Oh yeah  
Um you are lookin' good  
Come on over here by ol' Jeff

Lie beside me on the sand  
Put some lotion in your hand  
Kiss me once or twice and baby make me feel nice  
Say you love me again and

Rub it in, rub it in  
Rub it in, rub it in  
I feel the tingle begin, you're gettin' under my skin  
Rub it in, rub it in

Put a little on my nose  
Put a little on my toes  
Rub it on my back and my sacroiliac  
A dab on my chinny-chin-chin

Rub it in, rub it in  
Rub it in, rub it in  
I feel the tingle begin, you're gettin' under my skin  
Rub it in, rub it in

Turn your radio on  
Find a slow grooving song  
Whisper in my ear say the things I need to hear  
Let me know your love is strong

Rub it in, rub it in  
Rub it in, rub it in  
I feel the tingle begin, you're gettin' under my skin  
Rub it in, rub it in

Put a little on my nose  
Put a little on my toes  
Rub it on my back and my sacroiliac  
A dab on my chinny-chin-chin

Rub it in, rub it in  
Rub it in, rub it in  
I feel the tingle begin, you're gettin' under my skin  
Rub it in, rub it in

Oh, put a little bit right here  
Yeah, I love those hands  
That's what I'm talkin' 'bout
