

B-I-Bickey-Bi, Bo-Bo-Go

Jeff Beck

As I was walking down the street
I heard a crazy song with a crazy beat
The band in the house was a-going real wild
And all them cats just a-jumpin' in the hall

Be-i-bickey-bi, bo-bo
Grab your girl and go, go
You love me, I love you
Be-i-bickey-bi, go-bo-go

Well, I stepped inside just to look around
I had to join rockin' upside down
Asked a little chick how it got that swing
She said, search me dad but it's got that thing

Be-i-bickey-bi, bo-bo
Grab your girl and go, go
You love me, I love you
Be-i-bickey-bi, go-bo-go

Well, I grabbed me a chick and I headed for the floor
The roof was a-shakin' and so was the floor
The guys in the hall was a-ziggin' and a-zaggin'
She's a real cool doll and I'm not a-waggin'
