

# Livin' Alone

Jeff Beck

You bring me up just to bring me down  
Your my buttercup so where ya gonna put me down  
You broke my heart all I ever do is frown

Oh well livin' alone is a lonely prospect  
Don't want to let you go no  
You wake up at night with no one beside ya  
Don't want to be don't want to be  
Don't don't don't wanna be alone

You weren't just my girl you also were my friend  
It would be my damn luck if you'd both left my head  
Can't stand the pain my heart begins to shake

Oh well livin' alone is a lonely prospect  
Don't want to let you go no  
You wake up at night with no one beside ya  
Don't want to be don't want to be  
Don't don't don't wanna be alone yeah my babe

Oh livin' alone is a lonely prospect  
Don't want to let you go no  
You wake up at night with no one beside ya  
Don't want to be don't want to be  
Don't don't don't wanna be alone yeah babe

You bring me up just to bring me down  
Your my buttercup so where ya gonna put me down  
You broke my heart all I ever do is frown

Oh livin' alone is a lonely prospect  
Don't want to let you go no  
You wake up at night with no one beside ya  
Don't want to be don't want to be  
Don't don't don't wanna be alone oh my babe  
Don't wanna be don't don't don't don't wanna be alone  
Don't wanna be don't don't don't don't wanna be alone  
Don't wanna be don't don't don't wanna be  
Don't wanna be be  
Don't wanna be alone
