

Pay Me No Mind

Jeff Beck

Now my train is never on time
I'm a come in the dead stake time
I'm the shame that the sun don't shine
Somebody don't pay me no mind

Don't understand it
Don't understand it
Don't' understand it
Don't understand it
Don't

I'm the pain when it hurts sometimes
And the mountain just can't hide
Tell a guy she never could find
Somebody don't pay me no mind yeah

Don't understand it
Don't understand it
Don't' understand it
Don't understand it
Don't

Oh and the scratch on your LP's mine
Don't understand it
Don't understand it
In the stolen shoes
Don't understand it
Don't
Don't understand it
Don't
Don't understand it
Don't

Now my train is never on time
I'm a come in the dead stake time
I'm the shame that the sun don't shine
Somebody don't pay me no mind

Don't understand it
Don't understand it
Don't' understand it
Don't understand it
Don't

I'm the pain when it hurts sometimes
And the mountain just can't hide
Tell a guy she never could find
Somebody don't pay me no mind yeah

Understand it
Don't
Understand it
Don't
Understand it
Don't
Understand it
Don't

Understand it
Don't
Understand it
Don't
Understand it
Don't
Understand it
Don't
