

Libertine

Jeff Black

Free as a libertine
Sweet as cream
Sight unseen

Fights with hellcats claws
Breaks all the laws
Takes her curtain calls

Riding on a western star
She's a movie star
She's a movie star

She's the reason we won't burn out
She's the reason that we walk the line

Wild as a rambling rake
Mean as a snake
Loves her honeycake

Believes in the oversoul
Knows her rock and roll
Let's her colors show
