

# Never Did Say Goodbye

Jeff Black

You came in and out of my life,  
Like lightning in a storm  
And by the time the thunder rolled in  
I reached for you and you were gone  
I guess I barely got to know you  
Guess I hardly know myself  
I still have some things here for you  
That I can't give to no one else.

Never did say goodbye  
I never did tell you  
How you changed my life  
About the time you came along  
We got caught out in a storm  
And I got lost without your light  
Now every time they call for rain  
I reach out to touch the sky  
Maybe I'll see you again  
Maybe that's the reason why  
I never said goodbye.

I get so tired of pretending  
That you never flew away  
Seems like I'm always defending myself  
And how I think of you this way

If I can see you in my mirror  
Then maybe you can see me too  
On a sunny day I'm feeling better  
On a cloudy day I look for you.
