

It's like a broken tail light
Cuz you can't see behind
It takes someone to pass you and pull you aside
I thought I'd keep driving for a few extra miles
And ignore the warning signs

Cuz I've been lying but I'm trying
To show you how I feel
I just needed some time to realize
I'm out of control at the wheel
I was lying, wasn't trying,
But you saw the truth in me
And this feeling inside's so bona fide
I'm wearing my heart on my sleeve

I'm sorry that I made you feel lonely by my side
The thought of coming clean has left me tongue tied
I couldn't risk losing and nursing my pride
I can't keep letting slide

Cuz I've been lying but I'm trying
To show you how I feel
I just needed some time to realize
I'm out of control at the wheel
I was lying, wasn't trying,
But you saw the truth in me
And this feeling inside's so bona fide
I'm wearing my heart on my sleeve

I know I've been lying to myself
I realize I was wrong gotta let you know where I'm coming from
I'm wanna stop standing in our way

Cuz I've been lying but I'm trying
To show you how I feel
I just needed some time to realize
I'm out of control at the wheel
I was lying, wasn't trying,
But you saw the truth in me
And this feeling inside's so bona fide
I'm wearing my heart on my sleeve
