

## It's Not Over ('Til It's Over)

Jefferson Starship

Hey listen  
We don't call the shots here  
We don't make the rules  
We take what we get  
Get what we can

And it's learning the hard way here on the streets  
You can't build a dream without a plan

Passion speaks  
Let them hear you speak for me  
They play to win  
We play for keeps

It's not over 'til it's over  
It's not over 'til we get it right

The odds are against us  
Say we don't stand a chance  
When there's no giving up  
No giving in

When push comes to shove you got to fight for what you love  
You do what you must do what you can

Passion speaks  
Let them hear you speak for me  
They play to win  
We play for keeps

It's not over 'til it's over  
It's not over 'til we get it right  
Get it right

The odds are against us  
You know we still stand a chance  
There's no giving up  
No giving in  
It's not over

It's not over 'til it's over  
It's not over 'til we  
'Til we, 'til we, 'til we  
'Til we get it right
