

# I Want You

Jeffrey Osborne

I want your sexy body close  
We're gonna take it nice and slow  
Oh, I'm, I'm so addicted to your love  
Can't ever seem to get enough

Whoa, come take my hand, turn down the lights  
Now it's just you and I  
Lost in your touch, I want you so much  
And I can't wait to escape in your love  
Oh I, I want you to relax your mind  
Together we'll get lost in time  
Yeah, I'm ready for your to surrender  
And let me love you oh so tender

Oh come take my hand, I'll the way  
I'm gonna pour some champagne  
Everything's set, the only thing left  
Is a love we're getting ready to make, oh

I want you, girl I wanna get you  
I need you to say baby and come get it  
Say the word if you want me to  
Do, do, do, do you want me to?  
I want you, girl I wanna get with it  
I need you to say baby come get it  
Say the word if you want me to  
Do, do, do, do you want me to?

I want you (I want you) girl I wanna get  
I need you (I need you) to say baby come and get it  
Say the word if you want me to  
Do, do, do, do you want me to?  
I want you (I want you) girl I wanna get  
I need you (I need you baby) to say baby come and get it  
Say the word if you want me to  
Do, do, do, do you want me to?

I want you baby  
I need you baby  
Oh, I want you baby  
I need you baby  
Oh, I want you baby  
I need you baby  
Oh, I want you baby  
I need you baby, baby, yeah  
Oh, I want you  
I need you
