

Bad News Travels Fast

Jelly Roll

I said bad news travels fast
You're just too good to last
You're rollin' like thunder
Run and take cover
Bad news, I said bad news travels fast

Somethin' different man I had to
Bad news the fat dude with tattoos
Johnny Cash black teeth and black shoes (Come on)
Man in Black he sings and he raps to
You ain't gotta act new, cook me man like fast food
I'm an asshole baby I don't even act cool
Yeah, I'm in your rearview 'cause I'm about to lap you
And I ain't lookin' at you, I'm lookin' past you

I said bad news travels fast
You're just too good to last
You're rollin' like thunder
Run and take cover
Bad news, I said bad news travels fast

Blowin' on this killa cali, got me feelin' straight

You're rollin' like thunder
Run and take cover
Bad news, I said bad news travels fast

They sayin' it's a new me but never knew me
They claimin' that we used to kick it like Bruce Lee
On Hollywood Boulevard they like who's he?

Haters keep on hatin' baby guess I made 'em mad
I ain't trippin' what they sayin' I'm about to take a dab
Yeah, I still get it man, y'all can't forget it man
I used to sell packs out my granny minivan

I said whoa-whoa-whoa
Whoa-whoa-whoa
Whoa-whoa-whoa
Whoa-whoa-whoa

I said bad news travels fast
You're just too good to last
You're rollin' like thunder
Run and take cover
Bad news, I said bad news travels fast
