Jelly Roll

Sounds like a lullaby
Sounds like a lullaby
Sounds like a lullaby

And lately I've been living like a rolling stone
I'm gone and I don't know if I'm wrong at home?
See I'm in another zone
Just leave us the fuck alone
Just pack me another cone
I'm higher than a fuckin drone

Blowing on this purple shit
Workin hard and workin it
Workin hard - they say I'm gettin on
And I deserve this shit

People I took care of are actin like I ain't worth a shit
Can't believe they diss me man
The mother fuckin nerve of them
Don't believe a word of it
Say that I deserted them
They did not put work in to deserve a fuckin squirt of piss
I'm sorry I don't owe you an apology
Cause you ain't had the balls to go and fuckin follow me

I believe in late nights and early mornings
I believe in good weed and liquor flowing
Cause I believe that even all the gangsters go to heaven
Cause I believe that even all the gangsters go to heaven

I believe in good sex
So lets ride
We'll be Bonnie and Clyde girl
We're that type
Yes I believe that all the savage bitches go to heaven
Yes I believe that all the savage bitches go to heaven

Got a bad bitch on the west coast
And she loves me cause I'm fuckin southern
And she knows if they try me I'm strapped up like bungee jumper
Tell them boys don't try me
Might fuck around and lose it
Yall gonna keep gonna keep talkin 'bout me
I'm gonna flash out and start shootin

I've been runnin with the losers
On the bottom with the scum
I ain't got a problem with it
Cause the bottoms where I'm from

But they knew that I won't stop
So they knew that I'm gon' pop
So I put this out to everyone that bet on a long shot
I told them we could do it
I told them bet the farm
Now to celebrate
We gon' kicked out of every bar

Ha
Yeah
Fuck you we got a hold to coach
We made it cool to be country
Don't be country

I believe in late nights and early mornings
I believe in good weed and liquor flowing
Cause I believe that even all the gangsters go to heaven
Cause I believe that even all the gangsters go to heaven

I believe in good sex
So lets ride
We'll be Bonnie and Clyde girl
We're that type
Yes I believe that all the savage bitches go to heaven
Yes I believe that all the savage bitches go to heaven

Sounds like a lullaby
Sounds like a lullaby
Sounds like a lullaby
Sounds like a lullaby
