

# When I'm Sober

Jelly Roll

She said don't call me fucked up  
I told her we'll see  
Every time I'm on the lean  
She said I'm selling her a dream  
She said that I'm dipping when I'm on the codeine  
I tell her maybe baby  
It's something you should believe  
And yeah I ain't lying  
I swear that I'm flying  
I'm higher then I ever been  
And I can't deny it  
I swear that I ain't lying  
I feel like I'm flying  
I'm higher then I ever been  
An these shades can't hide

I only hate you when I'm sober  
Cause every time I'm fucked up  
I tell you come over  
I swear it feels like I can't hold you any closer  
My little soldier  
We gonna keep it rolling  
Keep it rolling

I hate you when I'm sober  
Cause every time I'm fucked up  
I tell you come over  
I swear it feels like I can't hold you any closer  
My little soldier  
We gonna keep it rolling  
My little solider  
We gonna keep it rolling

Choking and kept it flowing  
Don't know where I been  
And I don't know where I been going  
Been going through a lot shit  
And don't nobody know it  
Cause the problems I been holding  
I been rolling up and smoking  
Like fuck it  
I don't understand  
Don't try to sweat it  
I been living it ruff baby girl  
And I don't regret it  
Been chasing my dreams  
Full steam ahead I'm heading  
To the top  
Everybody can see it  
Baby don't sweat it

I only hate you when I'm sober  
Cause every time I'm fucked up  
I tell you come over  
I swear it feels like I can't hold you any closer  
My little soldier  
We gonna keep it rolling

Keep it rolling

I hate you when I'm sober  
Cause every time I'm fucked up  
I tell you come over  
I swear it feels like I can't hold you any closer  
My little soldier  
We gonna keep it rolling  
My little soldier  
We gonna keep it rolling

She said I've changed  
If I'd stayed the same  
I'd prolly went insane  
Or become a victim of the game  
I said I'm sorry girl  
I said I'm sorry girl
