

Beachwood Canyon

Jem

Driving up to Beachwood Canyon
Through the trees, a haven on the hill
Ooh
Fell in love in Beachwood Canyon
Set up home, a mattress on the floor

Take my hand I'll show you how to...

Dream a big dream
Wishing upon a star tonight
I do, I ooh, feel inside
Your heart's the guide
It comes alive, tonight

Got so sick in Beachwood Canyon
Hard to breath with toxins in the walls
Ooh
Lived it up in Beachwood Canyon
Naked swims and singing by the pool
Life was cool

Take my hand I'll show you how to...

Dream a big dream
Wishing upon a star tonight
Only you know yours
Find your love tonight

Ooh, ooh, ooh, ooh, ooh

In the hills
Wishing upon a star tonight
Let it out now, don't be shy
The canyon sighs
Dream with me tonight
