## **Beachwood Canyon**

Driving up to Beachwood Canyon Through the trees, a haven on the hill Oooh Fell in love in Beachwood Canyon Set up home, a mattress on the floor

Take my hand I'll show you how to ...

Dream a big dream Wishing upon a star tonight I do, I ooh, feel inside Your heart's the guide It comes alive, tonight

Got so sick in Beachwood Canyon Hard to breath with toxins in the walls Oooh Lived it up in Beachwood Canyon Naked swims and singing by the pool Life was cool

Take my hand I'll show you how to ...

Dream a big dream Wishing upon a star tonight Only you know yours Find your love tonight

Oooh, oooh, oooh, oooh, oooh

In the hills Wishing upon a star tonight Let it out now, don't be shy The canyon sighs Dream with me tonight
