

Greatness

Jen Foster

Ooh ooh, ooh ooh, ooh ooh ooh
Ooh ooh, ooh ooh, ooh ooh ooh
Ooh ooh, ooh ooh, ooh ooh ooh
Ooh ooh, ooh ooh, ooh ooh ooh

I passed a stranger on the street
He asked me for a light
He looked at me kind of funny
When I stopped to think twice
I said my heart is full of darkness
And I don't know what to do
He said "I'm just trying to smoke a cigaret here
I didn't mean to intrude"

I headed to the local dine
And searched for some relief
I knew the cute bartender has a philosophy degree
I joked pour me a shot of Nietzsche
She said: "That's not the drink for you
You clearly need some inspiration
I think I need a little too."

We should be living a good life
All over the place, all over the place
We should be soaking of sunshine
All over our face, all over our faces
We were made for greatness

Ooh ooh, ooh ooh, ooh ooh ooh
Ooh ooh, ooh ooh, ooh ooh ooh

She poured us a couple My Ties

And she said: "Let's run away
I can see we're kindred spirits
Life's too short to play these games
There must be fifty ways to leave our loves
Simon says this much is true."
And with that, we slipped out the back jack
And got a cheap hotel room

We should be living a good life
All over the place, all over the place
We should be soaking of sunshine
All over our face, all over our faces
We were made for greatness

Ooh ooh, ooh ooh, ooh ooh ooh
Ooh ooh, ooh ooh, ooh ooh ooh

We could live on nothing
Hanging out on sunny beaches
We don't need no money
We were born with all we need, yeah

We should be living a good life
All over the place, all over the place

We should be soaking of sunshine
All over our face, all over our faces
We were made for greatness

We were made for greatness
We were saved by graces all around us
I woke up with a stranger
And she asked me for a light
