

Not So Different

Jen Foster

I get lost sometimes
Closed up deep inside
Forget who I am
But I've seen stars at night
I've heard songs and cried
I've felt healing hands

And all our stories
All end the same
There's one love, pouring
All through our veins
I'm not so different from you
I'm not so different from you
We've both got holes in our socks
And souls in our shoes
I'm not so different from you
Ain't that the truth?

Na, na, na, na, na
Ain't that the truth?
Na, na, na, na, na, hoo

We've all been called names
Shut out, used and shamed
We've all felt unloved
But I choose to have faith
I was born this way
And I'm more than good enough

And all our stories
All end the same
There's one love, pouring
All through our veins
I'm not so different from you
I'm not so different from you
We've both got holes in our socks
And souls in our shoes
I'm not so different from you
Ain't that the truth?

Na, na, na, na, na

Ain't that the truth?
Na, na, na, na, na, hoo
Ain't that the truth?
Na, na, na, na, na, hoo
Ain't that the truth? (Yeah)
Na, na, na, na, na, hoo

We all have a voice
We all have a dream, yeah
We're breaking the chains
We're making a scene, yeah

Na, na, na, na, na, hoo
Na, na, na, na, na
Na, na, na, na, na, hoo

Na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na, hoo
I'm not so different from you
I'm not so different from you
We've both got holes in our socks
And souls in our shoes
Hope in our hearts
And freedom to choose
We've all got change in our pocket
And nothing left to lose
I'm not so different from you
I'm not so different from you
Na, na, na, na, na
Na, na, na, na, na
Ain't that the truth? (Yeah)
Na, na, na, na, na, hoo
Ain't that the truth?
Na, na, na, na, na
Na, na, na, na, na
Ain't that the truth?
Na, na, na, na, na, hoo
Na, na, na, na, na
Na, na, na, na, na, hoo
Na, na, na, na, na
Na, na, na, na, na, hoo
