

I Turn To You

Jennifer Day

When I'm lost in the rain
In your eyes I know I'll find the light to light my way
When I'm scared, losing ground
When my world is going crazy
You can turn it all around
And when I'm down you're there giving me all you've got

For a shield from the storm
For a friend
For a love to keep me safe and warm
I turn to you
For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you
I turn to you

When I lose the will to win
I just reach for you
And I can reach the sky again
I can do anything
'Cause your love is so amazing
'Cause your love inspires me
And when I need a friend
You're always on my side
Giving me faith, taking me through the night

For a shield from the storm
For a friend
For a love to keep me safe and warm
I turn to you
For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you
I turn to you

For the arms to be my shelter through all the rain
For the truth that will never change
For someone to lean on
For a heart that I can rely on through anything
For that one who I can run to

For a shield from the storm
For a friend
For a love to keep me safe and warm
I turn to you
For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you
I turn to you
