And I Am Telling You I'm Not Going

Jennifer Hudson

And I am tellin' you I'm not goin' You're the best man I've ever known There's no way I can ever go No, no, there's no way No, no, no, no way I'm livin' without you

I'm not livin' without you I don't wanna be free I'm stayin', I'm stayin' And you, and you You're gonna love me You're gonna love me

And I am tellin' you, I'm not goin' Even though the rough times are showin' There's just no way There's no way

We're part of the same place We're part of the same time We both share the same blood We both have the same mind

And time and time We've have so much to share No, no, no, no, no, no way I'm not wakin' up tomorrow mornin' And findin' that there's nobody there

Darlin' there's no way No, no, no, no way I'm livin' without you I'm not livin' without you You see there's just no way There's no way

Please don't go away from me Stay with me, stay with me Stay, stay and hold me Stay, stay and hold me

Please stay and hold me Miss her bad, try and miss her, try and miss her I know, I know, I know you can

Tear down the mountains Yell, scream and shout You can say what you want I'm not walkin' out

Stop all the rivers Push, strike and kill I'm not gonna leave you There's no way I will

And I am tellin' you, I'm not goin'

You're the best man I'll ever know There's no way I could ever, ever go No, no, there's no way No, no, no, no way I'm livin' without you

I'm not livin' without you Not livin' without you I don't wanna be free I'm stayin', I'm stayin' And you, and you, and you You're gonna love me You're gonna love me, yes you are Yes you are

Aah, love me Love me Love, you're gonna love me
