

# All I Have

Jennifer Lopez

Love is life and life is livin`  
It's very special  
All my love...

Oh...oh...oh...oh...oh...  
(Baby, don't go)  
(Baby, don't go)year  
(Baby, don't go, uh)  
(Baby, don't go)year  
(Baby, don't go)  
(Baby, don't go)year,year  
(Why you act like that)

It's such a shame, but I'm leavin`  
Can't take the way you mistreated me  
And it's crazy, but oh, baby  
It don't matter, whatever, don't please me

Uh, uh, uh  
I don't believe you wanna leave like this  
I don't believe  
I just had my last real kiss  
I do believe we'll laugh and reminisce  
Wait a minute, don't bounce, baby  
Let's talk about this man

Well, I'm bouncin` and I'm out, son  
I gotta leave you alone

'cause I'm good holdin` down my spot  
And I'm good rappin the girls on the block  
And I'm good, I got this thing on lock  
So without me you'll be fine, right?

All my pride is all I have  
(Pride is what you had, baby girl,  
I'm what you have)  
You'll be needin` me, but too bad  
(Be easy, don't make decisions  
When you're mad)  
You packed, you chose to run alone  
(I know you're independent  
You can make it on your own)  
Here with me you had a home, oh, year  
(But time is of the essence  
Why spend it alone, huh)

The night I wait up for you  
Promises you made about comin` through  
So much time you wasted  
That's why I had to replace you

Uh, uh, uh  
It makes a cat nervous  
The thought of settin` down  
Especially me  
I was creepin` all over town

I thought my tender touch could look you down  
I knew I had you  
As cocky as it sounds  
That's the way you used to giggle right  
Before I put it down  
It's better when you angry, come here

Stop playin, you gamin'  
I gotta leave you alone

'Cause I'm good holdin' down my spot  
(Stop actin' like that)  
And I'm good rappin' the girls on the block  
(Now you know you need to stop)  
And I'm good, I got this thing on lock  
So without me you'll be fine, right  
(Here we go)

All my pride is all I have  
(Pride is what you had, baby girl,  
I'm what you have)  
You'll be needin' me, but too bad  
(Be easy, don't make decisions  
When you're mad)  
You packed, you chose to run alone  
(I know you're independent  
You can make it on your own)  
Here with me you had a home, oh, year  
(But time is of the essence  
Why spend it alone, huh)

People make mistakes  
To make up, to break up  
To wake up cold and lonely  
Chill, baby, you know me  
Yoh love me, I'm like you homie  
Instead of beef you come hold me  
I promise I'm not a phony  
Don't bounce, baby, console me, come here

Ain't nothin' you can say to me  
That can change my mind  
I gotta let you go now  
And nothin' will ever be the same  
So just be on your way  
Go 'head and do your thing now  
And there's no more  
To explain to me  
You know I know you game and I'm feelin'  
What you do now

So I'm bouncin' and I'm out, son  
I gotta leave you alone, yeah, yeah

All my pride is all I have  
(Pride is what you had, baby girl,  
I'm what you have)  
You'll be needin' me, but too bad  
(Be easy, don't make decisions  
When you're mad)  
You packed, you chose to run alone  
(I know you're independent  
You can make it on your own)

Here with me you had a home, oh, year  
(But time is of the essence  
Why spend it alone, huh)

All my pride is all I have

I promise you  
You know what I'm sayin'
