

Merry Christmas With Love

Jennifer Nettles

She leaned with her head on the window
Watching evergreen bend in the snow
Remembering Christmas the way it had been
So many seasons ago

When children would reach for their stockings
And open the presents they found
The lights on the tree would shine bright in their eyes
Reflecting the love all around

But this year there's no one to open the gifts
No reason for trimming the tree
And just as a tear made it's way to the floor
She heard voices outside start to sing

Merry Christmas to all who may dwell here
Merry Christmas if even just one
May the joy of the season surround you
Merry Christmas (Merry Christmas) with love

Carolers sang as she opened the door

Faces of friends in the crowd
And all of the shadows of lonely reminders
Driven away by the sound

Now the heart that for years had been silent
Was suddenly filled with a song
As she clung to their hands like a child in the night
She found herself singing along

Merry Christmas to all who may dwell here
Merry Christmas if even just one
May the joy of the season surround you
Merry Christmas (Merry Christmas)
With love!

Merry Christmas to all who may dwell here
Merry Christmas if even just one
May the joy of the season surround you
Merry Christmas (Merry Christmas)
Merry Christmas (Merry Christmas)
Merry Christmas with love (Merry Christmas)
