## All I Want Is You

**Jennifer Rush** 

A thousand faces, a thousand shores Thousands of miles apart So many places, too many shores Still I hear the sound of your heart beating Now hear my pleading

Oh, Oh all I want is you Oh, Oh all I want is you All I want is you

Where did you come from, where do I go When I fall into you It's out of the darkness, out of control All that I thought was true Is turning, now my love is burning

Oh, Oh all I want is you Oh, Oh all I want is you All I want is you....
