

Why Worry

Jennifer Warnes

Baby, I see this world has made you sad
Some people can be bad
The things they do, the things they say

But baby, I'll wipe away those bitter tears
I'll chase away those restless fears
That turn your blue skies into gray

Why worry
There should be laughter after pain
There should be sunshine after rain
These things have always been the same
So why worry now
Why worry now

Baby, when I get down I turn to you
And you make sense of what I do
I know it isn't hard to say

That baby, just when this world seems mean and cold
Our love comes shining red and gold
And all the rest is by the way

Why worry
There should be laughter after pain
There should be sunshine after rain
These things have always been the same
So why worry now
Why worry now
