

If I Could Cry (it Would Feel Like This)

Jens Lekman

If I could cry
it would feel like this

If I could cry
it would feel like this

Oh If I could cry
if I could cry
if I could cry
if I could cry
it would feel like this

If I could cry
it would feel like this

If I could cry
it would feel like this

If I could cry
if I could cry
if I could cry
if I could cry
it would feel like this
