

My Defender

Jeremy Camp

Though I walk through the valley of the shadow
And I stand face to face with the enemy
I will know that I am not forsaken
You surround me when the fire's at my feet

You're my defender
You fight for me
I will remember
You're all I need
You are my healer
My remedy
Against the power of the unknown
And I will not stand alone
'Cause You're my defender

I can see You when the night is closing in
And I will trust You when it seems that there's no hope
And I hold tight to the promise You have given
'Cause this I know and I am confident

You're my defender
You fight for me
I will remember
You're all I need
You are my healer
My remedy
Against the power of the unknown
And I will not stand alone
'Cause You're my defender

You're my defender

I'm saved by the blood
I'm saved by the blood of Jesus
I'm saved by the blood
I'm saved by the blood of Jesus
I'm saved by the blood
And I'm saved by the blood of Jesus
I'm saved by the blood
And I'm saved...

'Cause You're my defender
You fight for me
I will remember
You're all I need
And You are my healer
My remedy
Against the power of the unknown
And I will not stand alone
'Cause You're my defender

I know that You are for me
I know You will not fail
The weapons formed against me
Cannot prevail because...

I'm saved by the blood

I'm saved by the blood of Jesus
I'm saved by the blood
I'm saved by the blood of Jesus
'Cause You're my defender
