

# Word of Life

Jeremy Camp

Word of life  
Speak to my weary heart  
Strengthen my broken parts  
Lead me to Your open arms  
Word of truth  
Illuminate all these lies  
The enemy speaks inside  
In freedom I will rise

'Cause You called me out from the grave  
So I can live like I've been changed  
There is a new song in my soul  
And it begins when I breathe in  
Your word of life  
(Your word of life)

Spirit of God  
Take me to a deeper place  
Take me out of what is safe  
I will not be afraid  
Spirit of God  
Fill me with joy again  
Springing up from within  
It cannot be contained

'Cause You called me out from the grave  
So I can live like I've been changed  
There is a new song in my soul  
And it begins when I breathe in  
Your word of life

The old has gone away  
Only Your love remains  
I am alive today  
'Cause You called me out, ooh  
You called me out, ooh

'Cause You called me out from the grave  
So I can live like I've been changed  
There is a new song in my soul  
And it begins when I breathe in  
Your word of life  
Your word of life

Hey  
The old has gone away  
Only Your love remains  
I am alive today  
'Cause You called me out
