

Lose It All

Greene, Jeremy

Uh uh uh uh uh
Whoa whoa oh oh oh oh
Whoa whoa oh oh oh oh
Whoa whoa oh oh oh oh

Now when I feel I'm in trouble
I just put my head down
And then I fall on my knees
Hope that God holds me down

I've been through struggling, suffering
And through the fire and back again
Cause I know
Cause I know that there will come a time
When I rise to the top
Cause I'll keep climbing and climbing
'Till I feel my heart stop

Though I know it's not easy
No one else here to save me but me
But me

I'll take the fall and risk it all
I spread my wings
'Cause I believe in me
I'm ready to lose it all
I'll take the fall

Whoa whoa oh oh oh oh
Whoa whoa oh oh oh oh
Whoa whoa oh oh oh oh
Whoa whoa oh oh oh oh

It's kinda hard to move on
When you keep looking back
Feel like a rose on a highway
Rising up from the cracks
Ain't no way you can stop me
Come too far to go back
So I keep pushing and pushing
Keep my feet to the path

I'm on the edge of the peak
Now I finally see that I beat the statistic
Or you died up on me
Yes, 'cause I am the truth
Check the record, it's proof
You can't stop me

I'll take the fall and risk it all
I spread my wings
'Cause I believe in me
I'm ready to lose it all
I'll take the fall

Whoa whoa oh oh oh oh
Whoa whoa oh oh oh oh

Whoa whoa oh oh oh oh
Whoa whoa oh oh oh oh

I'm mad on the edge now
Nothing stands in my way, noo
The gun's getting closer
With every breath I take

I'll take the fall and risk it all
I spread my wings
'Cause I believe in me
I'm ready to lose it all

I'll take a fall and risk it all
I spread my wings
'Cause I believe in me
I'm ready to lose it all
I'll take the fall

Whoa whoa oh oh oh oh
Whoa whoa oh oh oh oh
Whoa whoa oh oh oh oh
Whoa whoa oh oh oh oh
