

Do It To The Music

Jeremy Jordan

Do it to the music, yeah
I wanna do it to the music
Do it to the music, yeah
Let's watch us making love
From the mirror up above
Now you really feeling good
And if i missed I think you should
Tell me what you undone, and if I go, don't you run
Take words mind in music
I wanna do it to the music

I wanna do it to the music
And I can't wait till we do it
'Cause it's fascinate my mind
Just like you, I wanna do it to the music
I wanna do it till we lose it
Girl, you really turn me on
Do it to the music
Girl, you know the half
I wanna watch you take a bath
Now you really feelin' good
You know you make me float the wood
We'll go room to room
You play the bride; I'll be the groom
On a honeymoon tonight
That's why I wanna do you right
I love it when you tell me to
Slow it down, take my time
'Cause your lovin' ain't going nowhere
Till we do it to the music, baby
