

## better off

Jeremy Zucker

We know that this won't last  
Not like it used to  
And I'm okay with that  
But not if I lose you

I can feel it in my bones  
Sinking deeper in the overflow  
Can you feel it in your soul?  
If I'm honest, maybe we're better off alone

(Better off, better off alone)  
Maybe we're better off alone  
(Better off, better off alone)  
Maybe we're better off  
Maybe we're better off alone  
Maybe we're better off

I won't turn my back  
Now that you want to  
And if there's nothing left  
Why does it haunt you?

I can feel it take control  
Falling further in the undertow  
Can you feel it in your soul?  
If I'm honest, maybe we're better off alone

(Better off, better off alone)  
Maybe we're better off alone  
(Better off, better off alone)  
Maybe we're better off  
Maybe we're better off alone  
Maybe we're better off

I can feel it in my bones  
Running circles  
'Cause you're all I know  
And I feel it in my soul  
If I'm honest
