## I Wish You Love

## Jermaine Jackson

Goodbye, no use leading with our chins This is where our story ends Never lovers, ever friends Goodbye, let our hearts call it a day But before you walk away I sincerely want to say

I wish you bluebirds in the spring
To give your heart a song to sing
And then kiss
But more than this
I wish you love

And in July a lemonade
To cool you in some leafy glade
I wish you health
And more than wealth
I wish you love

My breaking heart and I agree
That you and I could never be
So with my best
My very best
I'll set you free

I wish you shelter from the storm A cozy fire to keep you warm And most of all When snowflakes fall I wish you love

So with my best My very best I'll set you free

I wish you shelter from the storm A cozy fire to keep you warm And most of all When snowflakes fall I wish you love I wish you love I wish you love I... wish you love
