

Love In The Afternoon

Jerry Garcia

Love, love in the afternoon
Outside the window
An organ grinder's tune

Rhythm, wine, a touch of Jamaica
Twilight time with a Kingston lady
All the time in the world for me and that girl

Sweet, she sang sweetly
Come back soon
Come back for more of that
Love in the afternoon

Breezes blow by me in the afternoon
She sings sweetly an organ grinder's tune

Finally recovered from last year's
Round of bye, bye baby blues
All I crave today, some love in the afternoon

Love, love in the afternoon
It's easy as she goes
Like an organ grinder's tune

Gone with the moon
Any old trouble can't leave too soon
Trouble's no part of what I want
Especially in the afternoon, singing

Sleeping till two
Waking to make more
Love in the afternoon
