Love In The Afternoon

Jerry Garcia

Love, love in the afternoon Outside the window An organ grinder's tune

Rhythm, wine, a touch of Jamaica
Twilight time with a Kingston lady
All the time in the world for me and that girl

Sweet, she sang sweetly Come back soon Come back for more of that Love in the afternoon

Breezes blow by me in the afternoon She sings sweetly an organ grinder's tune

Finally recovered from last year's
Round of bye, bye baby blues
All I crave today, some love in the afternoon

Love, love in the afternoon It's easy as she goes Like an organ grinder's tune

Gone with the moon
Any old trouble can't leave too soon
Trouble's no part of what I want
Especially in the afternoon, singing

Sleeping till two Waking to make more Love in the afternoon
