

Alabama Jubilee

Jerry Reed

Well you oughta see deacon Jones as he rattles his bones
Ol' Parson Brown jumpin' around like some kinda clown
Ol' Aunt Jemima she done passed a hundred and three
Shoutin' out full o'pep

Grab a weenie and help yourself
Well one legged Joe jumpin' around on his sore toe
Throw away his crutch and hollered toe ain't sore no more
Well it's hail hail the gang's all here for the Alabama Jubilee
Watch it son

You oughta see deacon Jones as he rattles his bones...
