

# Sittin' On Top Of The World

Jerry Reed

Well it was in the spring one sunny day  
When my woman left me and she went away  
Oh but now she's gone I don't worry  
Cause I'm sittin' up here on top of the world

Mississippi River is deep and wide  
That woman I love love is on the other side  
Oh but now she's gone gone but I don't worry none  
Cause I'm sittin' sittin' on top of the world

Mississippi River is deep and wide...

Well it was in the spring one sunny day...

I'm sittin' on top of the world sittin' on top of the world  
I don't worry I don't worry sittin' up here on top of the world
