Ain't Got Far to Go

Jess Glynne

Birds fly, we turned finally free Patience lost, I began to lose me My advice would be take a breath Close your eyes and take a step

I wasn't scared, I fought this on my own You pulled me down and I let you go I told you I would prove you wrong And now I'm here and I'm standing strong

I know (I know, I know) I know (I-I know, I know) I know (I know, I know) That I ain't got far to go, go, go Cause I spent forever waiting And it's no longer a dream And now I've landed on my feet And I ain't got far to go

H-h-h-hold tight, rollercoaster, here we go Florida, Orlando, I ain't playing with you Day one, I said I'd go for me One box ticked, got a lot to beat

I wasn't scared, I fought this on my own You pulled me down and I let you go I told you I would prove you wrong And now I'm here and I'm standing strong

I know (I know, I know) I know (I-I know, I know) I know (I know, I know) That I ain't got far to go, go, go Cause I spent forever waiting And it's no longer a dream And now I've landed on my feet And I ain't got far to go

I'm here to stay, I'm here to stay Amen (amen), amen (amen) And if I had to go back in time I would just do it again (again), again (again) Hey, hey hey, I ain't got far to go Hey, hey, I know, I ain't got far to go

I know (I know, I know) I know (I-I know, I know) I know (I know, I know) That I ain't got far to go, go, go Cause I spent forever waiting And it's no longer a dream And now I've landed on my feet And I ain't got far to go Cause I spent forever waiting And it's no longer a dream And now I've landed on my feet <u>And T ain't got far to go</u>
