

Rollin

Jess Glynne

Step back, go wrong with me
Don't hold me down
I've got a lot to give
But won't let it out
I know, I'm sensitive
Redo it doubt
You got a lot, a lot, a lot, a lot, a lot to learn
Karma's a real bitch
I've been there before
So if you're trying me
I need, I know
All of this back and forth
I need control
You got a lot, a lot, a lot, a lot, a lot to learn

So I'm sayin'
Fuck your games, this ain't the way I'm rollin'
The way I'm rollin'
The way I'm rollin'
Hot and cold conversation ain't flowin'
The wave ain't flowin'
The wave ain't flowin'
I tried, I tried
Time and time again
So fuck your games, this ain't the way I'm rollin'

Ooh-wop
Ooh-wop

I get bored easily
You're on borrowed time
If you ain't pleasing me
There's no more lifelines
And it's not out your hands
I've changed my mind
You got a lot, a lot, a lot, a lot, a lot to learn
Think you're doin' just enough to keep me there
Always pullin' back, actin' like you don't care
All this going, going crazy, and that's not fair
You got a lot, a lot, a lot, a lot, a lot to learn

So I'm sayin'
Fuck your games, this ain't the way I'm rollin'
The way I'm rollin', the way I'm rollin'
Too much to say, his mouth, it ain't closin'
No, it ain't closin', no, it ain't closin'
I tried, I tried
Time to time again
I tried, I tried
Time to time again
But fuck your games, this ain't the way I'm rollin'

La-la-la-la-la-la
La-la-la-la-la-la-la
La-la-la-la-la-la
La-la-la-la-la-la-la
La-la-la-la-la-la-la

La-la-la-la-la-la-la
But fuck your games, this ain't the way I'm rollin

I tried, I tried
Time to time again
You never let it work
I don't wanna waste my time on you, my time on you
To tell the truth, I've seen the proof
You've got a lot to learn
You've got a lot to learn

So fuck your games, this ain't the way I'm rollin
The way I'm rollin', the way I'm rollin'
Too much to say, his mouth, it ain't closin'
No, it ain't closin', no, it ain't closin'
I tried, I tried
Time to time again
I tried, I tried
Time to time again
So I'm sayin'
Fuck your games, this ain't the way I'm rollin'

La-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la

So fuck your games, this ain't the way I'm rollin'
The way I'm rollin'
