

Freaky

Jesse McCartney

Now don't you even act like you don't wanna get up
You better get out on the dancefloor show me what you got
'Cause I don't even want too much just for y'all to understand
A party ain't a party if I'm not in the party
So I need to see some hands

All I really need to know
Is that you came to the party to enjoy yourself
You left your stress and your worries
Back at home on the shelf
And let's get freaky hey oh freaky hey oh hey
Freaky hey oh hey freaky hey oh hey freaky freaky

Make sure the DJ puts this song on and turn it up
And keep it movin' all night long till the sun come up

All I really need to know
Is that you came to the party to enjoy yourself
You left your stress and your worries
Back at home on the shelf
And let's get freaky hey oh freaky hey oh hey
Freaky hey oh hey freaky hey oh hey freaky freaky
All I really need to know
Is that you came to the party to enjoy yourself
You left your stress and your worries
Back at home on the shelf
And let's get freaky hey oh freaky hey oh hey
Freaky hey oh hey freaky hey oh hey freaky freaky
And let's get freaky hey oh hey freaky hey oh hey
Freaky hey oh hey freaky freaky
