

# Rock You

Jesse McCartney

Yeah once again there's some what's in the pen  
Sean hear ya boy case but I'm blowin' in the wind  
I got my young boy Jesse gettin' at the Nizzy  
Don't you be with me and we be gettin' undressed

What you see somethin' that you need  
Spend the night with me and I'll rock you  
Oh believe you ain't been up tree  
Till you follow me and I'll rock you

She scrambled for the camera  
I got her blowin' in the wind like I'm nirvana  
Wait a minute I don't think y'all heard me I said nirvana  
That means I'm rockin' in the rocks in Montana

All I wanna do is get at your love like I see baby  
Eat at your heart like the drums on my beat baby  
You and me we gonna travel like a visa  
And I ain't worried 'bout what I'm spendin' either

And I'ma rock you I gotta see that hey hey hey  
Girl I'll rock you come give me some of that hey hey hey hey  
You want a love and I just wanna feel it for the night  
Pull you somethin' that'll make sure you'll be feelin' alright  
You want to work you wanna be the boss of my house  
Well you must not have a clue  
Of what that ticket's gonna cost you  
I'ma rock you

Hey mama my car runnin'  
Oh you like we a track team in a bohoggin  
Put it on my car's gotta go at least two hundred  
So when the cops clock me they better bleep flow it

All I wanna do is get at your love like I see baby  
Eat at your heart like the drums on my beat baby  
You and me we gonna travel like a visa  
And I ain't worried 'bout what I'm spendin' either

And I'ma rock you I gotta see that hey hey hey  
Girl I'll rock you come give me some of that hey hey hey hey  
You want a love and I just wanna feel it for the night  
Pull you somethin' that'll make sure you'll be feelin' alright  
You want to work you wanna be the boss of my house  
Well you must not have a clue  
Of what that ticket's gonna cost you
